

Testimonial: from St Anne's CE School - Wandsworth

Recommendation by neighbouring school gets first class results for St Anne's.

"We needed to replace the dilapidated walkway that connected different parts for our school. BSB Outdoor Ltd came highly recommended by a neighbouring headteacher and they undertook the work quickly and efficiently and created a superb covered walkway which has made a huge improvement to the look of our school's open spaces.

The job needed someone with good ideas and common sense and Richard and his team got on with everything with the minimum of fuss. The final bill was exactly a quoted and everything was completed on schedule during the summer break.

I'd be more than happy to recommend BSB to anyone, especially a school with old and complicated architecture like ours."

Ms Yvonne Norman - Headteacher - November 2009
